

# Ellis Island Microbrews

Voted the #1 brewery in Nevada and the Mountain West region and #9 in the USA by the National Brewers Association.

**\$4.00 by the Pint**

## Light

This Light is uniquely handcrafted using 100% natural ingredients; barley malt, rice, finest American hops and hand selected lager yeast.

With its unique brewing method, we believe this will be the most flavorful beer you've ever tasted!

Our "Light" is a beer selection that pairs well with any food choice, and will leave you feeling quenched and satisfied.

## Amber

Distinctive ale, brewed with plenty of hops, resulting in a European flavor and great caramel color.

An all around good beer that pairs well with any foods that are not sweet, and compliments a hearty soup or sandwich.

## Stout

Inspired from English and Irish stouts, this dark beer is made with roasted malts, and should not be mistaken for a Bock beer.

Our stout is rich, smooth and malty, and has a full bodied flavor.

Pairs wonderfully with our Country Fried Steak, or enjoy it on a Monday, paired with our BBQ Rib special.

## IPA

Golden in color with a slight amber tint, brewed with American hops, giving it large, herbal flavors with minimal bitterness.

Our IPA has a very smooth finish and combines well with fried fish or spicy foods.

Enjoy a pint with our signature Fish and Chips!

## Hefeweizen

Brewed in the Bavarian style with a more generous than typical amount of wheat malt, this is a uniquely clean, rich bodied, yet light brew.

Its effervescence is further enhanced with a fresh slice of orange or lemon.

This brew pairs wonderfully with virtually any food.
